

## Washing Lotion for Hygienic Handwash

### Fields of application:

Dermoguard® Plus has been tested according to VAH Standard Methods and the European Norm EN 1499.

Dermoguard is certified for hygienic hand decontamination. It is especially suited for the use in nursing homes, in kitchens and in the food industry.

### Special characteristics:

- very good skin compatibility
- fast and broad efficacy
- suitable for Hygienic Handwash
- free of PHMB and colourants

### Application:

- **Hygienic hand wash:**  
Pour Dermoguard® Plus onto hands and rub in thoroughly for minimum 30 seconds. Then foam up with clear water and rinse off thoroughly. Dry hands carefully with a disposable cloth.
